

MN-26-06 End-cutting pliers

End-cutting pliers made of CR-V steel with non-slip handle

Features & benefits

- Made of high quality chrome-vanadium steel, inductively hardened (55 HRC) blades provide long service life
- Resistant rubber handle with anti-slip coating provides a secure grip
- Special shape of jaws allows you to work in hard-to-reach areas

Applications

- Intended for cutting soft and hard wires, as well as reinforcing wires
- Useful for construction and assembly works, e.g. pulling out nails or cutting wires

Users

- Joiners
- Roofers
- Fitters
- Reinforcers
- DIY enthusiasts
